REMARKS

This is UNEVALUATED

25X1

1. On 28 June 1954, no motor vehicles were parked at the former Kretzgericht at St Poelten (O 49/W 88), and no activity or vehicles were observed at the Eugen Kaserne. Three trucks and a tank truck with trailer were parked at the Rainer Kaserne. Three soldiers did maintenance work on trucks in the yard of the Franz Josef Kaserne. The barrier near the Franz Josef Kaserne was guarded by a sentry. Vehicular traffic at the barrier included jeep truck with a trailer, truck and trucks Three platoons each of about 50 soldiers supervised by an officer were engaged in practice marching at Camp Spratzerg. The installation was guarded by sentries wearing artillery and tank insignia. Five officers including captains, senior lieutenants and lieutenants wearing artillery insignia entered Camp

2. On 28 June, about 35 tents and about 25 trucks, including vehicles with engineer equipment, were observed on the southern bank of the Danube River about 700 meters east of the landing of the Melk ferry. Soldiers were engaged in refitting their tents after the heavy rains.

25X1

1. Comment. The observations at St Poelten again confirm that the bulk of the troops of the 95th Gds Mtn Rifle Div stationed there moved to the summer camp at the Doellersheim troop training grounds.

2. Comment. The tents and vehicles with engineer equipment on the bank of the Danube River near Melk are indicative of engineer field exercises on the Danube River. The tent camp was observed on 16 June 1954.
